

Additional Features

1. Notifications :

Here's how to access notifications in DigiMe:

1. **Go to the Dashboard:** Once on the dashboard, look for the bell icon in the top right corner.

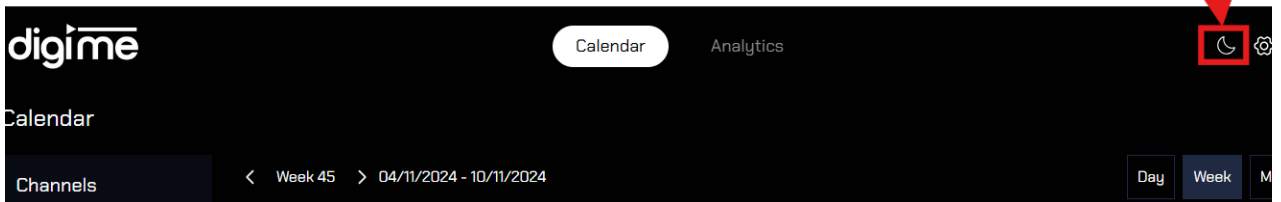

2. **View Notifications:** Clicking on the bell icon will display a list of recent notifications, including links to posts that have been published on various platforms. This allows you to easily keep track of published content and stay updated!

2. Light Dark theme options:

1. **Go to the Dashboard:** Once on the dashboard, look for the sun and moon icon in the top right corner.

1. **Light Theme(Sun icon):** Enjoy a clean, bright interface designed for easy readability and a refreshing user experience in well-lit environments.

2. **Dark Theme(moon icon):** Switch to a sleek, darker interface that's easy on the eyes, perfect for low-light conditions and reducing screen glare.
