

Work as a team

Here's a quick guide on inviting team members to collaborate, comment, and schedule posts in DigiMe:

1. **Log in to DigiMe:** After logging in, click on the settings icon in the top right corner.

2. **Access Team Member Settings:** In the profile settings, scroll down to the *Team Members* section.
3. **Add a Team Member:** Select *Add Another Member*, enter the member's details such as their email and role, and send them the invitation link.

Add Member [X]

Email

Enter email

Role

Select Role [v]

Send invitation via email?

Send Invitation Link

4. **Impersonating a User:** As an organization admin, to post on behalf of another user, select their details from the list of users in your organization. This will switch you to *impersonating mode*, allowing you to create and post content as that user.
